General

1. The regular season of play will be divided into two series of games. Each team will play each other an equal number of times.
2. Playoffs - top team of each series will play one game to determine the league champion on the Friday following the series. Rain date will be the following Sunday.
3. If three teams are tied, the bye will be determined by the following
 - i. Head to head
 - ii. The greatest number of runs scored by each team in the season series
 - iii. Coin toss

If the score is tied after 7 innings of play, the remaining innings will be played with the last official batter placed on 2nd base. Extra innings will be played until a winner is determined.

Playoff Home team will be determined by coin toss. If 4 teams are tied, then 1st seed plays 4th and 2nd plays 3rd. Then two winners will play each other. All games will be played on Friday with a 30 minute break between games.

#5 Remove "If that batter is a non runner, any player can run for her at second base."

#7 Change "will be substituted" to may be substituted.
