Buy one \$30 Ticket Win up to 35 times!

Cash or checks payable to: CP Softball

A \$50 winner is drawn each M-T-W Jan 6 - 22. A \$50 winner is drawn each M-T-W Jan 27 - Feb 19 (payout daily increases to \$75 if all 500 tickets sold). A \$100 winner is drawn on game days Feb 24 - March 18 (payouts increase to \$150 if all 500 tickets sold).

Your winning ticket goes back in which makes you eligible for next drawings. You can buy additional tickets as long as they are available. Posted and paid out each draw.

Final drawing of four grand prizes March 19:

If 300 sold: 1 @ \$150 1 @ \$300 1 @ \$450 1 @ \$600

If 500 sold: 1 @ \$250 1 @ \$500 1 @ \$750 1 @ 1000

If you win a final 4 ticket, your stub does not go back in.

Maximum tickets sold 500. Buy as many as you want. This replaces the 50/50 sales I did on every M-T-W.

Benefits:

1. You only have one ticket stub for the whole season!
2. As a player, you don't have to sign up to sell 50/50 during the weekly games!
3. As a fan, you won't have sellers bothering you!
4. You are supporting your league!

For me, you are helping to show that this idea works much better than me sitting in my cart 4-5 hours a day three times a week tearing thousands of tickets! Yes, I'm asking for your support in making this a success selling all 500 tickets.

It won't be a success unless you all help by buying tickets.

Tickets being sold opening day, Monday Jan 6, diamond 1 under the tent 9:30-1:30. Checks or cash. If not all sold Monday, Spike will post if there will be additional days to purchase. Be supportive of Spike as well. Buy them now!

Finally, I appreciate all your help and support over the last 8 years or so as I sold 50/50 tickets. You people are the best!
